

# Ladies Fellowship

---

Dear Ladies,

June 2009

Having been a student or teacher for more years of my life than not, June usually seems like more of the end of another year than December. And fittingly, our study in the book of Feminine Appeal will wrap up the “year” in Chapter 9. Let’s seek to finish strong as we come together on June 16<sup>th</sup> at 7:15pm. As usual, our meeting will be held at PBC in the new great room. Sandy Burns and Connie Wilson will be providing our refreshments for the evening. In light of the chapter, come prepared to share about a spiritual influence in your own life.

Do your plans for the summer include grilling, yard work, and fun in the sun? Let me urge you to marinate your mind in the Word of God. Sow some seeds of the gospel to neighbors, co-workers, and loved ones while tending to the weeds that creep up in the garden of your heart. Oh, and don’t forget to apply plenty of Sonscreen in all of your fun plans!

All for Him,  
*Patricia Loy*

*“Older women likewise are to be reverent in their behavior, not malicious gossips nor enslaved to much wine, teaching what is good, so that they may encourage the younger women, to love their husbands, to love their children, to be sensible, pure, workers at home, kind, being subject to their own husbands, so that the word of God will not be dishonored.” Titus 2:3-5*
