

Ladies Fellowship

Dear Ladies,

October 2009

Autumn greetings! Along with cooler air, God has chose to bless our church family with many new additions! With these sweet little bundles (I am talking about new babies), come many necessities so the theme at our next Ladies Fellowship meeting will be a baby shower...for the PBC nursery! If you would like to contribute, you will find a "wish list" below that will greatly help in supplying the infants and walkers nursery. Also, you don't need to wrap anything!

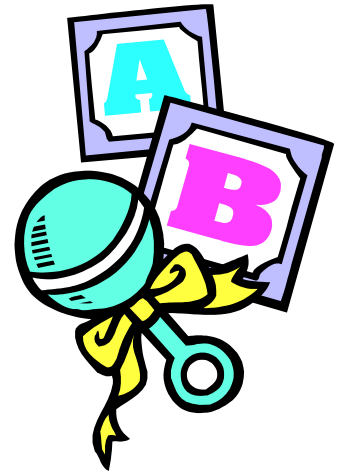

Please join us for our next meeting at PBC on **October 20th at 7:15 pm**. Our current study is from John MacArthur's book, Twelve Extraordinary Women. We will be reviewing chapter 2 and the study guide questions from the back of the book. If you have an older copy of the book, you may not have the study questions in the back. You can pick up a copy of those questions from the Information Center at PBC. Theresa Paschall and Karen Goda will be providing refreshments that evening.

This month I would like to encourage you to spend time praying for these new PBC moms! Whether it is your first or fifth child, each new little one brings unique challenges and blessings. Also, find a way to be a special encouragement to one or more of these moms.

All for Him,
Patricia Loy

Nursery Wish List

- ◆ Baby wipes (scent free)
- ◆ Hand sanitizer
- ◆ Clorox All Surface Spray Cleaner
- ◆ Plain Cheerios
- ◆ Goldfish crackers
- ◆ Animal crackers
- ◆ Rubber foam play mats
- ◆ Toy barn
- ◆ Toys to sit at table and play
- ◆ (Surprises are fun too!)
- ◆ One of the most needed things are people willing to work in the nursery during a service or study. PBC members, high school age and older may work in the nursery. Please see Sue Goda if you can give of your time in this way. I know, from experience, what a blessing it is to be able to leave a baby in good hands so I can have an undistracted time in worship and study!

She opens her mouth in wisdom,
and the teaching of kindness is on her tongue.

An update on her arm reveals an improvement though not completely healed. Cheryl's prayer requests for September include:

- ♦ Wisdom for the winter projects
- ♦ Safety for all involved in building projects
- ♦ Mary Poarch-nurse having knee replacement
